Notifies the ——

The Compiler, Mysore Gazette

Letter No.56. dated 31st December 1947. from the Commissioner of Refugees in Mysore. Bangalore. recommending the grant of a Duty Allowance to the Special Liaison Officer. Refugee Relief Camp, as in the case of Assistant Commissioners.

(1) Mr. M.D. Shivananjappa, Assistant Commissioner. has been appointed Special Liaison Officer for the Refugee Relief Camp at the site of the Lakkavalli Reservoir where it is proposed to accommodate 5,000 Non-Muslim refugees from the Punjab.

(2) The camp which is under construction has not started functioning yet. and in view of the fact that refugees are not willing to go to the State for heavy manual labour but want to settle down on agricultural land, the scheme for the refugee camp at the site of the Reservoir as originally contemplated may perhaps undergo material alteration. The matter is under examination separately.

(3) Assistant Commissioners doing duty in the Secretariat are given a duty allowance of Rs.50/- per mensem as also Assistant Commissioners posted as Assistants to Heads of Departments in Bangalore.

(4) According to the Mysore Service Regulations, Duty Allowance is given to an officer in addition to pay or salary in consideration of the specially arduous nature of his duties or of increased work or responsibility or for the discharge of the duties which do not properly belong to his office and for which there is no sanctioned appointment

(5) The proposal requires financial concurrence

(6) The recommendation for the grant of a duty allowance to Mr. Shivananjappa is for consideration and orders

Issued 7-1-48 scone

(7) In this connection, it is also for consideration and orders whether ~~xxx~~ information may be obtained from the P.W. Sectt. regarding a special local allowance, if any. granted to officers of the P.W.D. and other depart-

ment working on the Lakkavalli Reservoir Project.

8) The Duty Allowance to be sanctioned to Mr. M.D. Sivananjappa depends as regards the amount, on the Headquarters he will have. When the Headquarters is Bangalore he may have to be given one rate of allowance and a different rate of allowance if the Headquarters were to be Lakkavalli.

9) Information as to the rate of allowances that are being paid to the PW and other officers working at the Lakkavalli Reservoir project may perhaps be obtained from the PW Secretariat

10) Please see some attached note. Other points would perhaps be considered in due course after volume of work in the two offices is known.

Submitted

1) According to reports received separately from the Commissioner of Refugees and submitted separately, the Special Liaison Officer assumed charge of his office on the 24th December 1947, and pending the materialisation of the Lakkavalli Project Refugee Camp office of the Commissioner of Refugees at B in the absence of the Assistant Sec duty. The Commissioner of Refugees has further reported that refugees willing to do manual work are not likely to be sent to Mysore it is -

doubtful whether the Lakkavalli Scheme could be brought into effect. As, however, a transit camp for the reception and temporary location of refugees, as and when they arrive, has been proposed to be established, the Commissioner of Refugees has recommended that the services of the Liaison Officer can be best utilized for organizing and looking after this camp and any other camps that may have to be opened later in any of the Districts (like Agricultural Settlements etc.) He has also requested that, in the meantime, the retention of the Liaison Officer in his office may be sanctioned.
